Runners warm up before important meet.

The 1966 Viking Cross Country Team was the first West High boys team to win a league championship. The entire student body should take pride in their accomplishments.

In practice and league competition the team remained undefeated. With the return of all these strong, determined boys, next year's team has even greater possibilities and will continue to bring honors to West High School.

The three most promising runners were: David Salcido, Mike Davis, and Mark Andrews.

Runners striving for physical endurance.

Jeff,

Do the guy I think the world of in every way. You are a real sweet guy. We've had some really neat times together. I've enjoyed every bit of them. But when it comes time to say good-bye, it's going to be real hard. I'm really going to miss you. I wish you didn't have to leave.

I like you with your hair short or <u>Long</u>.

It's really been alot of fun this year, in school and all!

Well I guess I can't write a full page so,!

Jeff stay sweet and tuff as you are. Hope to see you much in the future.

Good Luck for the Years to come.

Love You Always

Debbie ('1970")
